3. MOTIONS

3.1 The UWA Student Guild:

1. Expresses significant concern over the WA State Government's decision to develop a business case with a view to merging UWA, Curtin, and Murdoch universities;
2. Opposes the formation of a business case that may reduce the quality and availability of courses, support services, facilities, and teaching, or damage the student experience;
3. Opposes the concept of merging the UWA, Curtin, and Murdoch Student Guilds;
4. Calls on the State Government to increase the student representation on the Steering Committee overseeing the development of the business case from one student representative to the three Guild Presidents of the universities involved;
5. Notes with concern that students are facing unprecedented cost-of-living pressures, and that a proposal to spend hundreds of millions of dollars on a merger sidelines the everyday pressures that students are facing;
6. Calls on the State and Federal Governments to increase the public funding to universities sector-wide, in order to reverse the trend of universities increasingly being run like private sector corporations that put profits over people;
7. Endorses the upcoming Stop the Uni Merger protest on Wednesday the 21st of October at 1pm outside the State Parliament and encourages students to attend.
