

TIM SOUTHGATE

FOR PSA ENGAGEMENTS VP

ABOUT ME

My name is Tim Southgate, I'm a first-year Juris Doctor student studying part-time. This year I served as a first-year social representative on Blackstone, where I focused on increasing student engagement and contributed to events including Suits and Scrubs, the Law Ball and the First-Year Social. I have also held leadership roles as Vice-President of a UWA social club, Vice-Treasurer of my cricket club and an executive member of my soccer club. These roles have given me experience in event planning, budgeting, teamwork and engaging with a diverse range of students.

As Vice-President (Engagement), I would work to deliver a diverse calendar of social and networking events that are accessible, engaging and valuable for postgraduate students. I am organised, approachable and driven, and believe I am the right candidate for the role.
